# Building Better Leaders

Without ducking out of the holiday party too quick.

**Free Advice**

## Welcome to Development

*Please be thorough when coding...*

Building websites is a great time to reflect on the cool things we can do with code. We get to add alt tags, code links and get to stand by the latest in HTML or pre-processors like sass or less. If you like webpack you'll love the project we have set up for you. Good luck and have some fun!
